

**GUAM MEMORIAL HOSPITAL CONTINUING NURSING EDUCATION  
(CE) ANNOUNCEMENT**

**“Introduction to Complex EKG Rhythms”  
(16 contact hours)**

(This is a 2-day class)

**By: Belle P. Rada, RN, BSN**

**Friday, Feb 16, 2018 @ 8am-5pm**

**Sunday, Feb 25, 2018 @ 8am-5pm**

**GMHA Classroom 4<sup>th</sup> floor**

<b>FEES:</b> \$35 GMHA Employees	\$65 Non-GMHA Employees
----------------------------------	-------------------------

**Registration deadline is Friday, February 9, 2018**

**Pay the book fee of \$22.50 at Roseann Apuron’s office  
and pick-up the EKG Book no later than February 13, 2018.**

**EDUCATIONAL OBJECTIVES:** At the completion of this lecture, participants should be able to:

1. Understand the conduction system and the cardiac cycle
2. Describe placement of electrodes for cardiac monitoring
3. Determine measurements of the different waveforms and the heart rate of EKG rhythms
4. Identify normal EKG patterns
5. Identify and interpret the following rhythms: sinus; atrial; junctional; ventricular and blocks
6. Describe appropriate actions in dealing with all the rhythms
7. Identify all the rhythms as they relate to the EKG critical values

**INTENDED AUDIENCE:** Nurses, nurse aides, and technicians

**ACCREDITATION & CE CREDIT:** The Guam Memorial Hospital Authority is accredited by the California Board of Registered Nursing to provide continuing education for nurses. The Guam Memorial Hospital Authority designates this educational activity for a maximum of sixteen (16) contact hours.

*(\*NOTE: Participants must complete the 2day course to be eligible to receive the full complement of the approved contact hours for the course. Partial credits will not be provided.*

***Max of 30 participants for course.***

**ADA Notice:** Individuals needing special accommodations please call our ADA Coordinator at (671)647-2218. Two days advanced notice is required.
