AMENDMENT #3 FOR GMHA RFP 001-2018

Provide Professional Services to conduct one to one replacement of the existing Two Chamber High Temperature Conveyor Dish Machine.

TO: All prospective bidders,

This Amendment is being issued to clarify the following:

Question 1) Page 10 of 27, Delivery

We would like to bring to your attention that the lead time associated for a dishwasher of this capacity is 8-10 weeks not anticipating transit time and the associated procedures to clear cargo via ocean which typically take 4-6 weeks for a total of 12-16 weeks. Removal and Installation will take another 14 days for a total of 18weeks. There are occasions where the factory is able to improve lead times pending factory workload. Although once any purchase orders are made we are advised by the factory of the lead time.

We kindly request and amendment to the delivery date be issued to 18 weeks ARO.

Response: Request and amendment to the delivery date be issued to 18 weeks ARO has been denied.

Question 2) We also would like to request for an extension to the bid date submission.

Response: Request for extension has been denied.

If any other questions/clarifications please send via telefax addressed to Mr. PeterJohn D. Camacho, MPH.

Dolores F. Pangelinan,
Hospital Supply Management Admin., Acting
