AMENDMENT #3 FOR GMHA IFB 004-2018

PROVIDE PROFESSIONAL SERVICES TO CONDUCT ONE TO ONE REPLACEMENT OF EXISTING TWO CHAMBER HIGH TEMPERATURE CONVEYOR DISH MACHINE

TO: All prospective bidders,

This Amendment is being issued to clarify the following:

1) **Bidder-(JMI-Edison):** We would like to bring to your attention that the lead time associated for "any" dishwasher of this capacity is 8-10 weeks not anticipating transit time and the associated procedures to clear cargo which typically take 4-6 weeks for a total of 12-16 weeks. Removal and Installation will take another 8 days for a total of 18 weeks. There are occasions where the factory is able to improve lead times pending factory workload. Although once any purchase orders are made we are advised by the factory of the lead time.

GMHA:

All bidders should indicate their lead time and ETA on page 29 of 29 on the bid submission. Please see #47 Justification of Delay of page 10 of 29 under General Terms and Conditions.

2) **Bidder-(JMI-Edison):** Please clarify if we are to offer consumables. If so, we ask what type of products are needed. We also will require the consumption needed on a monthly basis so we can include this cost into our bid package.

GMHA:

Consumables are not part of the scope of work. If you are bidding on a machine that only requires certain consumables please indicate on page 29 of 29 the brand, product number and cost on the bid submission.

Dolores F. Pangelinan,
Hospital Supply Management Admin.
