AMENDMENT #1  
GMHA IFB 027-2025  
Medical Supplies – Wound Care

This amendment is in response to a clarification and request submitted by Medpharm.

**Question:** I noticed that there's no item #5 for bidding IFB-027-2025, shall we proceed despite the discrepancy?

**Response:** The corrected bid listing is attached to this amendment.

**Question:** In line with this, we understand the urgency, however we would like to humbly request for an extension at least for a week

**Response:** Because the products on this bid are urgently needed, we cannot extend the deadline by an additional week.

Please acknowledge receipt of this amendment by signing and sending it back to Materials Management by Fax at 649-3640 or email to [materials.mgmt@gmha.org](mailto:materials.mgmt@gmha.org).

If you have any questions, please feel free to address your letter to Lillian Perez-Posadas MN, RN, and email it to the Materials Management department at [materials.mgmt@gmha.org](mailto:materials.mgmt@gmha.org).

Sincerely;
