AMENDMENT #2
GMHA IFB 029-2025
Medical Supplies – Sutures

This amendment is in response to a request submitted by JMI Edison.

Question:

With GMHA's best interests in mind, we are exploring alternative product options that may offer the potential cost-effective and equivalent or superior performance. These alternatives require us to obtain samples and FDA certifications, which we anticipate will take approximately three weeks from our suppliers.

Therefore, we respectfully request a bid submission extension of three weeks from the original due date. This extension will allow us sufficient time to secure the necessary samples and FDA certifications, ensuring we can provide a comprehensive and competitive bid that includes these potentially beneficial alternatives.

Response:

We appreciate JMI's offer to provide GMHA with cost-effective alternative products. However, as outlined in Amendment #1, dated 02/04/2025, the products listed in this bid are urgently needed, and unfortunately, we are unable to extend the deadline for an additional three weeks.

Please acknowledge receipt of this amendment by signing and sending it back to Materials Management by Fax at 649-3640 or email to materials.mgmt@gmha.org.

If you have any questions, please feel free to address your letter to Lillian Perez-Posadas MN, RN, and email it to the Materials Management department at materials.mgmt@gmha.org.

Sincerely;

DOLORES PANGELINAN
Hospital Materials Management Department
