AMENDMENT #1
GMHA IFB 040-2025
VARIOUS MEDICAL SUPPLIES III

This amendment is in response to a clarification and request submitted by Medpharm and JMI.

Question:

1. We are kindly requesting an extension on the bid submission and opening from March 21, 2025, to March 28, 2025. This is because we continuously look for new suppliers and negotiate to better provide our customers with preferable options and competitive prices, and for this reason it may take a few weeks for price confirmation.
2. With reference to the above-mentioned bid, [Bid Name/Number], we respectfully request a two-week extension to the bid submission deadline. This extension would allow us to thoroughly finalize our proposal and ensure the accuracy of all submitted materials.
3. Furthermore, we would like to request an adjustment to the delivery timeline, extending it to 90 days from the date of award.

Response: We truly appreciate your efforts to provide GMHA with cost-effective alternative products. However, due to the pressing nature of these products for our patient care, we are unable to extend the submission deadline by any additional time. As stated in the bid advertisement, the submission deadline will remain on Friday, March 21, 2025.

Due to the need for these supplies, delivery requirements will be required within 60 days upon receipt of the awarded purchase order.

Please acknowledge receipt of this amendment by signing and sending it back to Materials Management by Fax at 649-3640 or email to materials.mgmt@gmha.org.

If you have any questions, please feel free to address your letter to Lillian Perez-Posadas MN, RN, and email it to the Materials Management department at materials.mgmt@gmha.org.

Sincerely,

DOLORES PANGELINAN
Hospital Materials Management Department
