

BIRTH CERTIFICATES

After delivery, parents are given an Informational Sheet for Completion of Certification of Live Birth. The form is to be completed before leaving the hospital and given to the nursing staff in the OB Ward. Do not leave the hospital without turning in the informational sheet.

Single parents that would like to include the father's name on the birth certificate must contact the medical records department. Both the mother and father need to present valid identification and complete a paternity form in the presence of Medical Records staff.

Hospital Birth Certificates are provided by GMHA Medical Records Department for a fee of \$6.08.

Certified Birth Certificates are provided by Public Health, Vital Statistics in Mangilao.
